

CREATE A WELCOME HOME KIT

Help a family or individual turn their new apartment into a home by putting together a Welcome Home Kit. These kits are **laundry baskets** filled with all the household necessities clients need to feel comfortable in their new housing

Dishes & Utensils

Used is fine! Just make sure they're in good condition and free from chips.

Cleaning & Laundry Supplies

Good quality cleaning supplies, including tools like mops, sponges, paper towels, brooms and brushes help our clients keep their new space tidy.

Shower Curtain & Towels

There's nothing like a new towel to make someone feel comfortable at home. We collect new towels for our clients and their families.

Hygiene Products

Collect toothbrushes, toothpaste, shampoo, soap, lotion, razors and toilet paper to stock up their new bathroom.
